

1. Login to NIC E-Invoice Web Portal on - <https://einvoice1.gst.gov.in/>

2. Click on Login and enter your Username and Password

3. You will be able to see similar screen after login.

The screenshot shows the 'Dash Board' of the Goods and Services Tax e-Invoice System. The header includes the system name and logos for the National Tax Authority and NIC. The left sidebar contains a menu with options like e-Invoice, User Management, API Registration, Change Password, Update, and e-Way Bill. The main content area displays two tables: 'Generations' and 'Cancelled'. The 'Generations' table shows 'Yesterday' and 'During This month' with values of 0. The 'Cancelled' table shows 'Yesterday' and 'During This month' with values of 0. A 'Notes' section at the bottom provides information about the Bulk IRN generation facility and e-Waybills.

Generations	
Yesterday	0
During This month	0

Cancelled	
Yesterday	0
During This month	0

Notes:

- The Bulk IRN generation facility has been enabled. You may download the tools from the portal under Help --> Tools.
- The e-Waybills generated in this portal will be reflected in the e-waybill system. To Update Part-B details, cancel or extend , you may login to e-waybill system with same credentials.

4. Click on “API Registration”.

This screenshot is similar to the previous one, but with an arrow pointing to the 'API Registration' option in the left sidebar menu. The 'Dash Board' content remains the same, showing the 'Generations' and 'Cancelled' tables and the 'Notes' section.

- The Bulk IRN generation facility has been enabled. You may download the tools from the portal under Help --> Tools.
- The e-Waybills generated in this portal will be reflected in the e-waybill system. To Update Part-B details, cancel or extend, you may login to e-waybill system with same credentials.

7. It will trigger an OTP to your registered mobile Number.

The screenshot shows the 'CreateAPIUser' page. At the top, a message from 'einvoice1.gst.gov.in' states: 'OTP has been sent to your Register mobile no., Please check and enter'. Below this, the 'API Registration' section contains a form with the label 'Enter the OTP Sent to Your Mobile Number:' and a text input field. A 'Verify OTP' button is positioned to the right of the input field. The page header includes the 'e-INVOICE SYSTEM' logo and the user's GSTIN and Name. The footer shows 'Version 1.01' and '© 2020 - Powered By National Informatics Centre.'.

8. Please enter OTP and click on Verify OTP.

9. Click on “Through GSP”.

The screenshot shows a web browser window with the URL <https://einvoice1.gst.gov.in/APIUserAccount/CheckApiUserRegistered>. The page header includes the Government of India logo and the text "GOODS AND SERVICES TAX e - INVOICE SYSTEM". Below the header, there is a section titled "API Registration Through GSP". It contains a form with the following fields: "Select your GSP:" (a dropdown menu), "Username:" (a text input field), "Password:" (a password input field with a strength indicator showing "Strong!"), and "Re-enter Password:" (a text input field). There are "Submit" and "Exit" buttons at the bottom of the form. The page footer indicates "Version 1.01" and "© 2020 - Powered By National Informatics Centre.".

10. Select “Clayfin Technologies Private Limited” as your GSP.

This screenshot shows the same "API Registration Through GSP" form as the previous one, but with the "Select your GSP:" dropdown menu open. The dropdown list displays several GSP options, including "Clayfin Technologies Pvt Ltd", which is highlighted by a black arrow. Other visible options include "BINARY SEMANTICS LIMITED", "Webtel Electrosoft Private Limited", "Masters India Private Limited", "Ernst & Young LLP", "Skill Lotto Solutions Pvt. Ltd.", "Abhipra Capital Limited", "BALAJI ONLINE PVT LTD", "Tera Software Limited", "Reliance Corporate IT Park Limited", "Chartered Information Systems Private Limited", "CDSL Ventures Limited", "Professional Softec Private Limited", "FOCUS SOFTNET PRIVATE LIMITED", and "TATA consultancy services Limited". The rest of the form and the page header/footer are identical to the previous screenshot.

11. Create API specific Username and Password & Click on Submit.

The screenshot shows a web browser window with the URL <https://einvoice1.gst.gov.in/APIUserAccount/CheckApiUserRegistered>. The page header includes the Government of India logo, the text "GOODS AND SERVICES TAX e - INVOICE SYSTEM", and the National Informatics Centre (NIC) logo. Below the header, there is a form titled "API Registration". The form contains the following fields and options:

- DO you wish to Register your GSTIN for: ☐ Directly ☒ Through GSP
- API Interface:
- Select your GSP: Clayfin Technologies (dropdown menu)
- Username: Test_001
- Password: (masked with dots, strength indicator shows "Strong!")
- Re-enter Password: (masked with dots)
- Buttons: Submit (blue), Exit (red)

The footer of the page indicates "Version 1.01" and "© 2020 - Powered By National Informatics Centre.".

12. Please confirm acknowledgement from E-Invoice System.

The screenshot shows the same web browser window, but the URL has changed to <https://einvoice1.gst.gov.in/APIUserAccount/CreateUserData>. A confirmation message box is displayed in the center of the screen, stating:

einvoice1.gst.gov.in says
Account created Successfully

The message box has an "OK" button. The browser's status bar at the bottom shows "Waiting for einvoice1.gst.gov.in...". The system clock in the bottom right corner indicates the time is 06:10 PM on 03-09-2020.
